BELGIUM MAY TRY KAISER FOR CRIMES

Big Four Also Tell Huns They Must Pay Five Billion Dollars Indemnity in Two Years.

Paris, April 10—Responsibility of the German Emperor for the war, and means for bringing him to trial by one of the allied governments, probably Belgium, have been settled by the Council of Four.

This follows the definite decision on the terms of reparations for war damages, whereby \$5,000,000,000 must be paid within the next two years.

An interallied commission is to assess the remaining damage for a period of 30 years beginning May 1, 1921. Thus two of the great obstacles which stood in the path of the rapid attainment of peace have been removed with 24 hours.

The period of extreme tension over the inaction and the failure to obtain tangible results is succeeded by revived confidence over the great advance toward a permanent settlement.

The Council of Four reached an agreement today on the Saar Valley. The agreement leaves sovereignty over the valley unchanged, but accords France free of duty sufficient coal for the Lorraine iron industry and to replace the production of the mines destroyed in the Lens mining district, with the privilege to the Germans of restoring the Lens mines and thus relieve the Saar Valley of that charge.

OFFER FROM LENINE

London, April 10—Adjournment of the House of Commons was moved in order to call attention to an alleged offer from Nikola Lenine, through the Americans to the peace conference. Clem Edwards, Coalition Liberal, and other speakers strongly objected to any negotiations with the Bolshevik.

Germany Will Appeal To The Allies

(By Associated Press)

Paris, April 9—Havas—A Zurich report says that the latest session of the German cabinet council, the government considered the eventuality of making an appeal to the allied armies to maintain order in Germany in the interest of the whole of Europe. The French newspaper, L'Echo, understands that General Humbert, former commander of the French Third Army will be appointed commander of the allied troops in Central Europe.

COL. BOB WALKER'S BUSY DAY

The Daily Register was "about to overlook mention of the big day that Col. Robert Walker, the famous silver-tongued auctioneer, had Monday court day. Col. Walker was right on the job all day long, and never did as much business in his life, it looked like. He conducted a big sale of horses brought in by Mr. Patterson and sold 28 head for an average of about \$115. He sold three cows for various parties on First Street at an average of \$90, and then auctioned off a couple of automobiles, one of which brought \$360 and the other \$180. Col. Walker can "move some" when his customers begin to get thick and he always manages to leave every body liking it.

AN ENDLESS CHAIN

There is an endless chain of recommendations for Lydia E. Pinkham's Vegetable Compound. There is hardly a town or village in the United States from which women have not written letters telling of health restored by Lydia E. Pinkham's Vegetable Compound. If you are suffering from some female trouble, ask your neighbor if she ever used Lydia E. Pinkham's Vegetable Compound. In many cases you will find that she has regained health by its use and will recommend it to you.

COMMUNITY HOUSE FOR SOCIAL CENTER

Is Among Recommendations Made After Conference Closes—Dr. McVey Delivers Fine Address.

The Madison County Conference for considering After-the-War Problems closed last night with a great mass meeting at the Christian church with a splendid address by President McVey, of the University of Kentucky. Dr. McVey said that he had been in Kentucky only a short time but that he was coming to love the state and her people more and more as the time went on. He showed that during the time he has been in Kentucky his eyes and ears have been opened and that he had observed and studied the problems now facing Kentucky.

Among the problems mentioned are Education, Illiteracy, Industry, Capital and Labor, Agriculture and Health. He said that in a broad sense all of Kentucky's problems are those of education, for people must be educated to see the needs of certain improvements before advancement can be made. He approached his subject sympathetically and impressed his hearers with the fact that he was here not merely to point out our defects but to help solve our problems. The address made a fine impression on the audience.

Dr. R. L. Telford explained the aims and plans of the Church Community Welfare League and urged all present to unite with the league and help in all the forward movements which the league hopes to inaugurate for the benefit of the town and county.

Very interesting sessions were held Wednesday morning and afternoon, in which Industrial and Economic needs of the community were discussed by Mr. McChesney and Chaplain Stapp. In the afternoon civic and recreational needs were discussed. An open forum was conducted in which the community's problems and needs were freely discussed. It is to be regretted that more people were not there to join in this most important discussions.

At the close of the evening session, Prof. D. W. Bridges, chairman of the Findings Committee, read a very interesting report on the findings of the conference. These will be published in full later. However, it will be interesting to note that among the recommendations made by his committee it was suggested that a community house should be built as a social and recreational center. Also that a joint High School building for county and city pupils should be erected. A public library was also suggested.

Among the things mentioned for the county were good roads, a community worker, rural schools and community centers, closer co-operation between the town and county. The conference was a success and no doubt great good will result. The town is greatly indebted to the speakers who helped to make the conference a power for good.

Hundred Killed, Many Injured In Storm Yesterday

(By Associated Press) Dallas, Texas, April 10—A hundred known dead is listed as victims of the tornado which yesterday struck northern Texas, Southern Oklahoma, and parts of Arkansas, when order was restored today from the chaos caused by the storm. Some of them were so badly injured they cannot recover, expected number will be several hundred. The storm took an erratic course and did not devastate any entire region, often leaving several houses untouched and then demolishing the next few houses. Texas counties that were the most seriously damaged, were Grayson, Fannin, Hurt, Wood, Vanzandt, Wichita, Collin, Campand, Litus in Texas, and Bryant, Cotton and Pontotoc, in Oklahoma, oil fields of Wichita county, and the counties of Southern Oklahoma suffered hundreds of thousands of dollars damage.

Peculiar Murder At Hazard

Hazard, Ky., April 10—Wm. Brandenburg and Miss Mabel Miller, 18 years old, were arrested yesterday, charged with having murdered Brandenburg's wife, Mrs. Ruth Brandenburg. At a coroner's inquest, Miss Miller said she was sleeping in the middle room of the three-room Brandenburg home, when she was startled by a shot. She said she rushed into the front room to find Mrs. Brandenburg lying on the floor with a revolver in her hand and a bullet hole in her head. Physicians said the bullet had entered the woman's head from a direction other than would have been the case had Mrs. Brandenburg used the weapon herself, and that there were no powder burns on the head.

YANK SOLDIERS LISTEN TO HOME POLITICIANS

Company of Our Boys in Russia Argue Question of Fighting Against Unspeakable Bolsheviks

(By Associated Press)

Archangel, April 10—Bulletin—A company of American troops recently showed some hesitation in returning to the fighting front south of Archangel, declaring that the war with Germany was over and that the United States was not at war with the Bolsheviks. Their regimental commander in a speech to them, said that they were fighting a desperate defensive battle and appealed to them to stick it out. The company then left for the front.

The situation arose when the company named was ordered back to the front after a rest period. The men contended that they were draft men, conscripted for the war with Germany which was finished now; that Americans were not at war with the Bolsheviks and that the entire Bolshevik question was a subject of much political debate and indecision in the United States and that so far as they were concerned, they were unable to see why they should be fighting, if there was no war.

WAR DEPARTMENT SILENT

Washington, April 10—The War Department was not inclined today to comment on the Archangel reports. It is understood that similar conditions among the British and French in Russia have been reported, but at that time the American officers were confident that the morale in their ranks was too high to permit any manifestation of dissatisfaction.

LOOK AT CHILD'S TONGUE WHEN CROSS FEVERISH OR SICK

Take No Chances! Move Poisons from Liver and Bowels At Once.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again. Children simply will not take time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered.

When, cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can not cause injury. No difference what ails your little one—if full of cold, or a sore throat, diarrhoea, stomach-ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs" then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller sizes. Hand back with contempt any other fig syrup. 1t

BIGGER SAVINGS

For convenience sake, Calumet Baking Powder is packed in 10, 20 and 30-cent sizes.

For 30 cents you get a full pound (16 ounces) net weight.

Of course, the larger the size the bigger the saving in buying—but remember that the 10-cent size shows a double saving compared with most other brands.

The value of Baking Powder is quality not quantity. It is leavening strength that counts. You cannot judge it by the size of the can nor the amount you get for your money. You must determine its worth to you by what it does, not by what it is, by the amount you are required to use in your baking and the results it gives.

A 10-cent can of Calumet will go twice as far as a 10-cent can of most other powders.

War Mothers Had Meeting In Lexington Monday

The board of the State War Mothers' Association held an interesting meeting on Monday afternoon at the Phoenix Hotel, Lexington. Mrs. R. B. Hutchcraft, of Paris, the State War Mother presided, and among the members of the board present were Mrs. Minor Simpson, president of the Fayette County War Mothers' Association and Mrs. Shelby Harbison, of Lexington; Mrs. J. Walter Payne, of Paris; Mrs. Hardin Fields, of Versailles; Mrs. John A. Herring, of Georgetown; Mrs. N. L. Bronaugh, of Nicholasville; Mrs. N. G. Jones, of Winchester; Mrs. K. B. Taylor, and Mrs. W. D. Huffman, of Louisville.

The Fayette County Association is the banner chapter, having over three hundred members, and, having been fully organized before April 6th, becomes a charter member of the National Association, which allows all war mothers registering in the future to be charter members.

The Board carried a motion to recommend to the National Association the placing of the word "white" in the name and commending that the constitution should be altered to read: "Those eligible for membership having sons or daughters who were in the war service of America and her allies."

It was decided that the shield of the State War Mothers' Association shall have upon the blue star the words: "We Have Given."

Kentucky being granted the privilege of appointing the national chairman of the committee on elections, Mrs. James A. Leach, of Louisville, was recommended.

Mrs. J. A. Mitchell, of Bowling Green, was appointed Kentucky member of the National finance committee, and Mrs. J. H. Dickey, of Louisville, the press chairman of the Kentucky Association.

There are a few counties in the state which are not organized by the War Mothers. Each member of the Board present pledged herself to see that one of these counties should be organized and a War Mother appointed for that county.

An expression of sympathy was sent to Mrs. Keeling G. Pulliam on the death of her son, Ensign Harold Pulliam. Accompanying the message was a beautiful bouquet of flowers from the Board.

The National Convention will be held sometime in next September, the place having not yet been decided.

Here, There, Everywhere

J. Coleman Neff, "Cooney," is in the Windy city this week on a business and pleasure trip. He reports that Chi is some city.

A. F. Renssper, formerly, connected with the State Auditors office at Frankfort, and now salesman in this

territory for the J. B. Moss Cigar Company of Cincinnati, was a pleasant caller at this office today. He is a strong for Mat Cohen for State Treasurer and says he will sure be elected.

Twin boys were born Monday to Mr. and Mrs. Ollie Dykes of the Bonesboro pike, weighing 6 and 7 pounds. The smaller child is doing nicely while the other died.

If residents along the residential sections of the city desire oil in front of the premises, it might be well to see the Mayor and volunteer a subscription towards the car.

Stella-Vitae

THE GUARANTEED TONIC FOR WOMEN

Stella-Vitae has been in successful use in the treatment of those diseases peculiar to women for more than a third of a century.

For nearly ten years it has been sold under a plain, positive guarantee to benefit. Less than one bottle out of every one thousand sold has been refunded for, and every claim for a refund has been satisfied. Thousands of letters like this praising Stella-Vitae and telling of benefit to suffering women have been received.

Mrs. E. M. Russell, of Mill Springs, N. C., gratefully writes us as follows: "I was in a most wretched condition; had palpitation of the heart and would swell and bloat in a most distressing way. When I began using Stella-Vitae I weighed 108 pounds. Now I weigh 135. I am more thankful than I can ever tell you for the great good this wonderful medicine has done me."

Mrs. Russell was at that critical period, the "change," and her sincere gratitude for the blessed relief will be understood and appreciated by every woman who reads her letter.

Stella-Vitae has proved a boon to suffering womanhood, to young girls approaching their first vital period, to women approaching the anguish of childbirth, to women approaching the "change of life." Stella-Vitae strengthens the female organs and promotes regularity in the monthly function.

No risk of loss is taken by any suffering woman who tries Stella-Vitae on our guarantee of the first bottle. All dealers sell Stella-Vitae and will return your money if it does not benefit you. Don't put off a trial.

Life Was a Misery

Mrs. F. M. Jones, of
Palmer, Okla., writes:
"From the time I en-
tered into womanhood
... I looked with dread
from one month to the
next. I suffered with my
back and bearing-down
pains, until life to me was
a misery. I would think
I could not endure the
pains any longer, and I
gradually got worse. . .
Nothing seemed to help
me until, one day, . . .
I decided to

TAKE

CARDUI

The Woman's Tonic

"I took four bottles,"
Mrs. Jones goes on to
say, "and was not only
greatly relieved, but can
truthfully say that I have
not a pain. . .

"It has now been two
years since I took Cardui,
and I am still in good
health. . . I would ad-
vise any woman or girl
to use Cardui who is a
sufferer from any female
trouble."

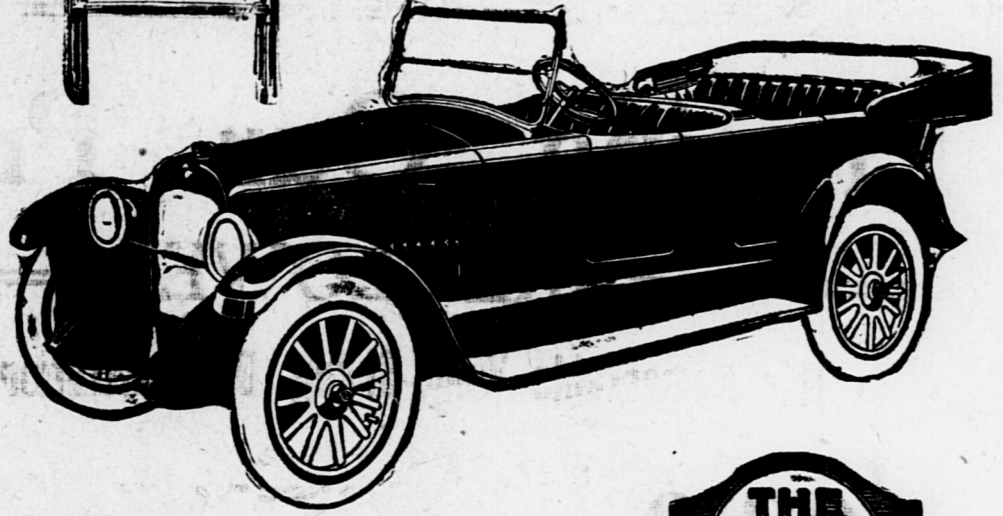

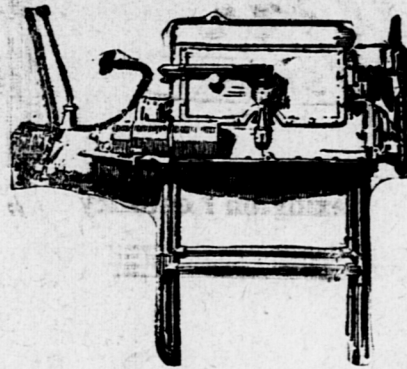

If you suffer pain caused
from womanly trouble, or
if you feel the need of a
good strengthening tonic
to build up your run-down
system, take the advice
of Mrs. Jones. Try Car-
dual. It helped her. We
believe it will help you.

Leonard Cleanable Refrigerators.

It's a genuine pleasure to own a
refrigerator that's a credit to you and
to your home—a refrigerator that
keeps your food clean pure and whole-
some—a refrigerator that you are
proud to show to your friends.
The Leonard Cleanable is a beauty
—absolutely clean and sanitary, and
looks it. It has many exclusive pat-
ented features. Its superb, non-
scratchable, one piece porcelain lining

is fused with Armco Rustless Steel in
three coats of nine different processes.
No corners—no seams—crevices. The
lining is brought clear around the
door frame and around the edges of
of the doors, so there's not a place
for any germs, dirt, or grease to
gather. The health of your family
will be safeguarded by this hygienic,
scientifically constructed refrigerator
—you can clean as easy as a China
dish.

Soldiers May Retain Uniforms

Maj. Stone Norman has received advice from the War Department that all soldiers will be allowed to retain as his personal property the following articles of uniform:

Overseas cap (for men with overseas service, hats for others); olive drab shirt, woolen coat, and ornaments, woolen breeches, one pair of shoes, one pair of leggings, one waist belt, one slicker and overcoat, two suits of underwear, four pairs of stockings, one pair of gloves, one toilet set, one barracks bag, gas mask, and helmet, (for overseas men only).

Soldiers who have already turned in their equipment are authorized to redraw them by applying to Major Norman. The department called attention to the fact it is unlawful for a discharged soldier to wear the regulation uniform without the red chevrons which show his connection with the military establishment has been terminated, according to law.

That Easter Bazaar

If you wish to remember your friends on Easter, visit the Infirmary Bazaar and give Miss Dorothy Perry's souvenir table the "once over" and you will find a suitable gift for any one in the world but Herr Hohenzollern. Miss Perry has the line of the pretty trinkets; brocaded boxes and jars, jewelry, hand painted cards, ice tea spoons, articles that run the entire gamut of fancy.

Do your servants wear livery? If they do not see Mrs. Head's apron table and purchase some of those smart little aprons so there will be some class to your maids. Bungalow aprons and many other models will be on display; an assortment to satisfy any taste or purse.

Let Mrs. George Goodloe replenish your linen closet; her household table boasts things practical as well as beautiful.

Mrs. Thompson Burman requests those donating food for the luncheon, will send thing by Friday afternoon or early Saturday morning to the Masonic Temple.

LEMON JUICE

FOR FRECKLES

Girls! Make beauty lotion for a few cents—Try it!

Squeeze the juice of two lemons into a bottle containing three ounces of orchard white, shake well, and you have a quarter pint of the best freckle and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of orchard white for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles and blemishes disappear and how clear, soft and rosy-white the skin becomes. Yes! It is harmless and never irritates.

YOU CAN MAKE YOUR SHOE BILLS LESS

From Globe, Arizona, comes this recommendation of Neolin Soles.

J. B. Medlyn sends it. He says: "I have never had my Neolin-soled shoes repaired as the soles always outwear the tops. The position I hold keeps me on my feet most of the time, and I can say that for comfort and wear Neolin is the only shoe sole."

Millions of others who have worn Neolin Soles think with Mr. Medlyn that they are the only soles for wear and comfort. Moreover, these soles cut your shoe bills down because they make your shoes last so long. They are waterproof too. Neolin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.
